

CAST Ski Service Technician

**Reports to:** Head Coach

**The Position:**

Alpine Canada Alpine (ACA) is the national governing body for Ski Racing in Canada and home to three of Canada's most exciting snow sports: Alpine, Para-Alpine and Ski Cross Racing. The organization has new Board and senior leadership that is committed to its vision for Canada to be a World Class ski racing nation that is inspired by the passion and performance of Canada's ski teams. ACA leads the achievement of Canada's ski teams' podium success and inspires the next generation of ski racers and fans.

We are currently seeking an experienced and motivated individual to join our organization in the role of **CAST Ski Service Technician**.

Reporting to the Head Coach, the CAST Ski Service technician will ensure the safety and success of our athletes by providing equipment services.

**Duties:**

- All aspects of preparation and maintenance of athlete equipment for high-performance results, including procurement of the equipment and supplies required for the trade. Lead assigned athletes equipment acquisition and HP setup. Equipment inspection and repair/replacement as well as preparation of equipment and supplies to be transported safely
- Assist in daily on-snow program execution
- Manage ski testing program
- Manage key cargo logistics as determined by the Head Coach

**Working Conditions**

- Full Time position with constant travel required
- Significant time working outdoors in winter conditions
- Requires lifting, walking and skiing
- Significant overtime required during peak periods to be taken as time in lieu as scheduling permits

## Employment Requirements

- Minimum 3-years' experience as service technician at the continental cup or world cup level
- Background and experience with international travel
- Prior experience working in a National Team setting preferred
- CSCF certification or international equivalent considered an asset
- Ability to communicate in French and/or German, in addition to English, is an asset
- Knowledge of ski areas in North American and Europe considered an asset
- Existing relationships with ski manufacturer
- This position requires extensive travel as the role is in the field of play full-time
- This position requires residing in Canada when not traveling with the Team

Additionally, the candidate must be able to demonstrate excellent interpersonal and collaborative skills with experience working in complex workplaces with many key stakeholders. Understanding the various software (Office, Google Docs, Adobe, etc.) is also an asset.

Please send your cover letter and resume to [careers@alpinecanada.org](mailto:careers@alpinecanada.org). Interviews will take place via teleconference.

We thank all applicants for their interest; however, only those considered for an interview will be contacted.
